

## Employment Opportunity

### Digital Health Lead (Remote)

Full-time, permanent

#### About Giiwednong Health Link

Giiwednong Health Link (GHL) is a health and information project management office situated on the Aundeck Omni Kaning First Nation that serves First Nation communities on Manitoulin Island and the North Shore of Lake Huron. GHL develops and implements e-health initiatives that improve health information, outcomes, and decision making by providing digital health tools and resources to First Nation healthcare practitioners.

#### About this Opportunity

Reporting to the Digital Health Expansion Supervisor (DHES), the Digital Health Lead (DHL), will assist in the implementation and support of digital health technologies in First Nation Health Centres. The DHL will focus mainly on Electronic Medical Records (EMR) training, on-going EMR support, and informatics and analytics reports for new First Nation partners located outside of GHL's primary service area in south-central Ontario. This position will operate remotely outside of GHL's office and will require significant travel.

#### Key Qualifications

1. Recognized post secondary certificate and/or diploma in health service, computer science, or related sector.
2. Minimum of two years relevant work experience.
3. Excellent verbal and written communication skills, including ability to instruct individuals and/or groups of varying skill levels.
4. Excellent computer software, networking and troubleshooting skills.
5. Valid Ontario Class 'G' Drivers license with access to a reliable vehicle and ability to travel.

**Candidates encouraged to request a full job description for a complete list of responsibilities and job qualifications for the Digital Health Lead position.**

GHL offers a highly competitive salary and benefits package, with professional development opportunities.
